

Who we are

Profire Emergency Equipment (with Safetek Emergency Vehicles) is Canada's leading supplier of fire and emergency vehicles, parts and service (read as: fire trucks) Our products and services maintain help first responders do their jobs safely and efficiently. We are a national company with a well-defined focus on three things, firetrucks, parts for firetrucks and service for firetrucks. We call our commitments in these areas the "Safetek Advantage" and are looking for team members who can drive us forward in our mission of "Serving those who keep our communities safe."

Automotive Electrical Installer

Profire Emergency Equipment is currently seeking a skilled Automotive Electrical Technician to join our Abbotsford team. We are looking for a self-motivated team player with a positive attitude, who understands and values customer satisfaction. In addition to the repair and maintenance side of our business we have a robust vehicle outfitting division. As demand is increasing, we are looking at adding a team member who loves to install radios, lighting, computers into vehicles. Creativity is a must as we often work on custom vehicles. You will be supported by our fabrication and technician team in house including experienced electrical installers.

In this role you will be responsible to install, test, troubleshoot, repair, adjust, overhaul and maintain electrical systems and sub-systems of fire-rescue vehicles.

Qualifications :

- Experience installing car audio/video, alarm, remote starters, aftermarket lighting and accessories.
- Ability to quickly troubleshoot and fix problems related to 12 volt vehicle electronics
- Have a passion for installing electronics which is reflected in the quality of your work
- Ability to multi-task, work under pressure and meet deadlines
- Very strong interpersonal and customer service skills
- Demonstrated ability to work independently as well as part of a team to effectively manage multiple priorities, organize work, and meet deadlines.
- Willingness to learn new and innovative technologies
- A valid BC driver's license in good standing
- Ability to travel to USA

Wage and Benefits:

We offer a competitive compensation package based on skills, knowledge and experience. Eligible for group benefits after 3 months. Eligible to participate in our company Pension Plan after 1 year of employment.

Please submit your resume and cover letter.

No phone calls please. While we thank all applicants for their interest, only short listed candidates will be contacted. For more information please visit us at: www.firetrucks.ca

Job Type: Full-time
